

SIGNED CONFESSION OF MURDER, SAY POLICE

Providence Man Declared to Have
Admitted Killing in Quarrel
Over Victim's Wife.

PROVIDENCE, R. I., Nov. 23.—Felix E. Champin was arrested early today on a charge of murder after he had made a signed confession, according to the police, that he had killed Frederick H. Bishop, Champin is general inspector of the Rhode Island Company, by which Bishop was employed as a motorman.

Bishop asked Champin to come to his home after the two had finished work early last Sunday morning. When Champin denied, in answer to questions, that he had been with Mrs. Bishop on Sunday, he said Bishop attacked him. In the struggle that followed, the alleged confession relates, Champin struck Bishop with a black-jack and shot him.

Bishop's body, with the head crushed and bearing three bullet wounds, was found Sunday. His wife, who had been away, did not know of the killing until she returned home that night. When questioned by the police, Mrs. Bishop said that she had been friendly for two years with Champin, who formerly boarded at the Bishop home.

In the District Court later today Champin pleaded not guilty to a charge of murder and was held without bail for the Grand Jury.

NEW INDICTMENTS SAID TO BE FOUND IN PRISON PROBE

Ten More Sing Sing Convicts
Thought to Have True Bills
Found Against Them.

(Special to The Evening World.)
WHITE PLAINS, N. Y., Nov. 23.—The Westchester County Grand Jury, which has been conducting a probe into various charges made by Superintendent of Prisons Riley against conditions existing at Sing Sing Prison, "including the honor system," the several escapes and felonies committed by convicts, has almost completed its work. It is said that it has found ten additional indictments against convicts, many of them members of the Mutual Welfare League, who committed assaults on the inmates, including the stabbing of two men.

It was learned today that none of the twenty-six convicts recently indicted by the present Grand Jury will be tried until their terms expire. The bench warrants have been left at the prison and as soon as they are set free or paroled the indicted men will be arrested and locked up in the White Plains Jail.

Westchester County taxpayers are beginning to grumble as they believe a great expense is about to be incurred by the county officials in carrying on this inquiry and in arranging for the trials.

Today District Attorney Weeks had as witnesses before the Grand Jury Superintendent of Prisons Riley, T. B. McDonald, his confidential agent, who had some trouble with the Warden about prison records, Elihu Church and Luther White.

Two more convicts were brought here on writs of habeas corpus. They were Frank Deluca and Oscar Shugerman.

RUSSIANS BUY SHIPS BUILT AS ICE-BREAKERS

Many Vessels Secured in New-
foundland Suitable for Use in
Archangel Service.

In its anxiety to keep the port of Archangel open for the importation of war munitions and other supplies, the Russian Government is searching the world for ships adapted to ice breaking and is buying them up as fast as possible, according to Sir Edgar R. Bowring of St. John's, N. F., who arrived here this morning on the Red Cross liner Stephano. Sir Edgar is one of the Bowring brothers, owners of the Red Cross Line, and he stated that the Russians had made repeated offers to purchase the Stephano and the Florizel, both of which have heavy steel bows and designed to ride up on the ice and break it with the weight under them.

"The Russian Government is very keen to get our steamers, but we shan't sell," said Sir Edgar. "We intend to keep up our regular service here as usual. They have raided the sailing fleet at St. John's, however, buying up the Beothic, the Bellaventure and the Bonaventure, and chartering the Naacople for the winter.

"These boats will sail for New York soon, and after taking on munitions here will continue on to Archangel," Sir Edgar is on his way to London.

WIDOW'S TAG DAY IN CHICAGO OPPOSED

Mayor Asked to Veto Aldermanic
Plan to Allow Women to Col-
lect Fund on Streets.

CHICAGO, Nov. 23.—Charitable organizations of Chicago today began active opposition to a Council order passed last night permitting a "tag day" for widows Dec. 14, the widows themselves to do the "tagging." Mayor Thompson was asked to veto the order on the ground that it would promote beggary and expose to lures and insults women who appeared on the streets labelled "widows" and soliciting funds.

The widows, according to the council order, will retain all money collected. The tags will be distributed among the various Aldermen, who shall issue the necessary credentials to dependent widows. If, through ill health, the widow is unable to participate in the "tag day," she will be given permission to name some one to take her place.

How many widows there are in Chicago is not known, but the city directory, it is said, contains the names of 22,700.

WOUND FORCES SERGEANT TO QUIT THE POLICE

Fay Was Shot in Battle With Crook
in Which Fellow Officer
Was Killed.

Sergeant Martin A. Fay, until recently in the Detective Bureau, was retired today from the Police Department because of physical disability due to a bullet wound received in the performance of duty. He was shot in a pistol battle in the Elsmere Hotel, No. 834 Courtlandt Avenue, the Bronx, on November 18, 1912, when attempting to arrest a crook known as Joseph Vogel, and his wife. Detective John Allen who was with Fay was killed. Vogel, who was also known as Yon Plazinsky, and his wife both died of their wounds. Detective Fay was shot through the stomach, a private detective named Gerard Luigi was wounded six times, and the owner of the hotel and a bartender were also wounded.

While Fay was in the hospital he was promoted to be a first grade detective by Commissioner Waldo. Soon after he was made a sergeant. He fought in the Spanish-American war with the Seventy-first regiment and was appointed to the department on Nov. 2, 1897. He is married and lives at No. 4336 Richardson Avenue, the Bronx.

Why You Should Bathe Internally

Under our present mode of living Nature, unassisted, cannot dispose of all the waste, through the blood circulation, and brings on countless ills.

That's the reason a physician's first step in disease is to give a laxative. Physicians generally, in order to stop this accumulation of waste, are now advising the use of "Dr. E. L. Canada's" Nature's Cure for Constipation, which aids the lower intestine of all waste and keeps it healthy without drugging.

It is now being shown by all Riker and Hegeman Drug Stores in New York and Brooklyn.

JOY RIDES AND THREATS TO KILL FIGURE IN SUIT

Prominent Westchester Resident
Accused of Cruelty by Wife,
Who Seeks Separation.

(Special to The Evening World.)
WHITE PLAINS, N. Y., Nov. 23.—Justice Morschauer today heard evidence in the separation action brought by Mrs. Josephine Day against her husband James P. Day, a prominent resident of Purdy's Station.

Mrs. Day, who now lives with her parents, Mr. and Mrs. John H. Martin of Purdy's, testified her husband had threatened to kill her, pointing a loaded revolver at her head.

In one instance, she said, Mr. and Mrs. Frank Horton had taken her home from Katonah in their automobile. Her husband dragged her from the auto that night and threatened to shoot Mr. Horton if he was ever in Mrs. Day's company again, she swore.

On cross-examination the name of James A. Benedict, a wealthy young man of Katonah, was brought into the case. Attorney George Taylor, counsel for Day, sought to show that Mrs. Day and Benedict had frequently met at the home of George Schmidt, in Katonah, and gone on motoring trips together. Mrs. Day admitted having been in the Benedict car, but denied that she had ever been on joy rides with Benedict.
